

Flux A/S awarded Dun & Bradstreet AAA Credit Rating

Asnaes, Denmark November 2009

Flux A/S has every year since 2005 been awarded the Triple-A rating by Dun & Bradstreet.

The Triple-A rating is the highest credit worthiness according to the Dun & Bradstreet credit appraisal system. Triple-A is awarded companies with a solid economy and an extremely good ability to comply with payment obligations.

D&B's AAA credit rating is consequently a quality hallmark in our business with as well customers as suppliers which we are very proud to have achieved

Only 8.165 Danish companies have achieved the triple-A rating in 2009.

Dun & Bradstreet (D&B) collects and appraises credit and business information on a global scale. [D&B](#) has information on 81 million businesses world-wide which is the world's biggest commercial database.

The Dun & Bradstreet rating for highest credit worthiness.
