

FLUX A/S representation on the German market.

Asnaes, Denmark August 2006

MSA Components Group GmbH is chosen as FLUX-representative on the interesting German market for Industrial components.

After a period of time – working non-formal on projects for the German Electronic Industry – FLUX and MSA have signed contract and are looking into a long lasting co-operation on projects for future.

This place MSA as FLUX's representation on this very important European market.

MSA Components Group is situated near Köln
